### MODEL VC525C VS

The Magner VC525C VS is a high-speed vacuum banknote counter with a highly portable console. The precision vacuum system is capable of up to 3,000 notes per minute, along with an auto-start programmable checking function to increase ease of operation. The new variable speeds function also makes this machine especially beneficial for poor, folded, limp or soiled notes. The VC525C VS provides speed, simplicity, reliability and a high level of accuracy.
